

PreK-4 Lunch Bunch Registration

2011-2012 School Year

Lunch Bunch programs for PreK-4 children on Monday and Wednesday afternoons. Children will eat lunch with the Lower School, followed by an afternoon of play, rest, and low-key activities. (From 12:00 noon until 3:30 p.m., not a continuation of the regular PreK-4 program.)

We have added an enrichment component to this program. The focus on Mondays will be art, and Wednesdays will be science, with related songs, stories, movement and activities.

*Registration is by trimester and may be either one or both days per week. **The program is limited to 10 children per day on a first registered basis.***
